FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and all applicable, adopted rules of the Texas Department of Insurance, Division of Workers' Compensation.

Background

1. 28 Texas Administrative Code §133.307 sets out the procedures for resolving medical fee disputes.
2. 28 Texas Administrative Code §133.20 sets out the guidelines of medical bill submission by health care providers.
3. The services in dispute were reduced/denied by the respondent with the following reason codes:
   - B20 – Srvc partially / fully furnished by another provider
   - 193 – Original payment decision maintained

Issues

1. Did the requestor support Division guidelines met when claim was submitted?
2. Is the requestor entitled to reimbursement?

Findings

1. The carrier denied the disputed services as B20 – "Srvc partially / fully furnished by another provider." 28 Texas Labor Code §§133.20(d) states, "The health care provider that provided the health care shall submit its own bill, unless:(1) the health care was provided as part of a return to work rehabilitation program in accordance with the Division fee guidelines in effect for the dates of service; (2) the health care was provided by an unlicensed individual under the direct supervision of a licensed health care provider, in which case the supervising health care provider shall submit the bill; (3) the health care provider contracts with an agent for purposes of medical bill processing, in which case the health care provider agent may submit the bill; or (4) the health care provider is a pharmacy that has contracted with a pharmacy processing agent for purposes of medical bill processing, in which case the pharmacy processing agent may submit the bill." Review of the submitted documentation finds the carrier's denial is supported.
2. The requestor has failed to show one of the four exceptions to Division rules was met. No additional payment can be recommended.

Conclusion

For the reasons stated above, the Division finds that the requestor has not established that additional reimbursement is due. As a result, the amount ordered is $0.00.

ORDER

Based upon the documentation submitted by the parties and in accordance with the provisions of Texas Labor Code §413.031, the Division has determined that the requestor is entitled to $0.00 reimbursement for the disputed services.
